Next Meeting: Monday, July 25, at the Maplewood Center

Greetings fellow modelers, fliers and members! It seems summer is in full swing and all the hot, hot, humid weather and those spotty rain drenchings some afternoons even tell us so. It is also the time when a lot of flying and airplane events are taking place; swap meets, fun-flys, old-timers, races and on and on goes the list. Speaking of at least one of these things, take a look at the Weak signals' R/C Old-Timers contest flyer inside this issue. Looks like a great time to be had.

And holy smokes, the best of all: our very own Signal Seekers Club Fun Fly on August 7!!! Now you be sure to see the flyer on that in here, and come on down!!!

There's talk of hosting a Livonia Mall Show again next year. That is always a great time and an excellent way to develop positive exposure to our club as well as our fun and satisfying hobby. Read inside minutes for info on how to get involved.

Happy and safe flying, one and all. *-Ed*
