Next Meeting: Monday August 28th, 6:30 PM at Maplewood Center Rm. 114

Ok, folks, here it is. August already and the planes are flying high. Is yours? Mine's not. I don't think I've flown an airplane since Charles Lindburg flew the Atlantic. Go figure. There are a lot of new and exciting things going on in the airplane world. Would somebody let me know what they are? Bur, seriously, folks.....

September is around the corner and all the other months that end in an "r".

Please take notice of the page inside this issue, thanks to Mike Ferguson, about all the neat stuff he has written about. For instance: Good News!!! If you choose to receive your Signal Seekers newsletter via email, instead of by snail mail, then get on the wagon! We are having a drawing with nifty prizes for all that do so. After all, it does cut down on our overhead and ultimately keep dues at bay. So there it is and happy flying!! -Ed
