Greetings members, one and all and Happy May. May is one of my favorite months of the year. What a beautiful spring we're having. As I write this, it is raining and has been for a week now. By the time you read this, it'll probably still be raining. That's ok though. All of our lawns are loving it. Get ready for some serious mowing. Be sure to read the minutes inside and find out all the good stuff about the field, porta-potty and all other good items. Happy flying and see you next time!

Signal Seekers Precision Aerobatics Contest June 24-25

Our club's Precision Aerobatics Contest will be held on June 24-25 at the club field. The field will be closed to regular flying during the contest, but the contest is generally finished by 4:00PM Saturday and 2:00PM Sunday if you want to come out and fly. Some pilots may show up to practice on Friday, if you are there please extend every courtesy and answer any questions about the field, frequency control, etc. We could use your help during the contest to help things go smoothly. We need scribes to record scores and someone to watch over the food (plenty of experts there). Please come out and help if you can.

Also, many of you are capable of doing a respectable job in competition. Here is the Sportsman class maneuver schedule. Dust off your favorite bird and give it a try.
