Next Meeting: Monday, FEBRUARY 25TH, 2008 At The Maplewood Center Room 114 @ 7:00

Greetings members.

We are in the deep freeze as I write this. By the time you read it, it may be 60 degrees and sunny (I doubt it). But, you never know; Michigan weather and all.

This is usually a slow time of the year for our hobby and I have no news of upcoming events to report on.

There is a brief mention of a couple of our summer time contents which you can read about in the minutes inside this issue.

If anyone has anything they would like to include in next month's newsletter, please feel free to contact me and we'll be sure to get it in there.

Happy flying

Ed.
