The field is flyable and the road is passable, it has been reported.

If you know of any upcoming events you would like mentioned in the newsletter, contact the editor.
Happy Flying!!!

Ed.

SIGNAL SEEKERS RC CLUB MEETING

Meeting Date April 28, 2008

Meeting was called to order by President Bob McDonald and the roll call was taken.

REPORTS:

- The Minutes were approved as written and the Treasures's Report as read.
- Field Report, the road is reported as being passable..

OLD BUSINESS:

- Darren Covington will mow the field again this year but will not be able to borrow the mowers from work as often as in the past.

NEW BUSINESS:

- A discussion was held regarding getting trucks to haul crushed concrete to repair the road.
- A discussion to increase the number of Christmas Raffle tickets sold to obtain free dues was held. The final decision will have to come from the Board and be published before being voted on by the Club.
- It was voted to apply grub control to the field again this year. We have 17 bags left over from last year but need 17 more. The application should be easier this year as a tractor drawn spreader is available instead of the walk-behind push spreaders used in the past.

MONTHLY RAFFLE:

- Mini Helicopter:- Larry Coulson.
- Charger:- Bob McDonald.
- Sealing Iron:- John Kapchus.
- CA:- Paul Blanchard.

SHOW AND TELL:

- Rich Sawicki brought in an electric ARF Chipmunk with a 64" wing span.
- John Brzys showed his CL Mouse ½ A speed plane that will do about 120 MPH.
- Tom Polk displayed a CL SU22, designed by Randy Smith, that he scratch built and is powered by a PA 65 engine.
- Darrell Warren brough in the fuse from his 2 X 4 sail plane that he has finished and test flown.
- John Kapchus showed an old time CL handle that had a built in reel to wind up the lines.
